## Der Musik-Inselfommer in Irland

### Inklusive Frühling, Herbst und Winter...

Die leidige Frage nach den (besten) Quellen thematisieren wir nicht mehr – wir stellen sie nachfolgend einfach vor (*Auszug*). Es sind nicht mehr dieselben wie noch im letzten Jahr: wenig konstant. Deshalb hat sich auch die Darstellung geändert, bei der wir hier die Quellen auch gar nicht mehr angeben. Grund: wer seine Zusatzinfos braucht, googelt sie ohnehin selbst. **Oder holt sich diese hier abgedruckte Liste als PDF-Sheet auf den Bildschirm. Dort dann läßt sich den Links leicht folgen.**

**irish-shop.de - Art-Nr.: 1275**

### Quellen:

#### [musicfestivalsireland.ie](http://musicfestivalsireland.ie)

Wenig verlässlich, obwohl „über 300 Einträge“. Die meisten aber aus alten Zeiten oder angeblich in den Jahren 2017, 2018. Sogar 2020 wurde uns auf der Webseite angeboten.

#### [ireland.com](http://ireland.com)

Das war mal die beste Quelle. Geschichte - kann man getrost vergessen. Oder wir haben das richtige Verzeichnis nicht mehr gefunden. Unsere Vermutung: die motiviertere, kenntnisreiche „Auszubildende“ ist nicht mehr da.

#### <http://entertainment.ie/festivals/>

Eine Überraschung – gibt/gab viel her. Natürlich total viele Doppelungen mit anderen Seiten...

#### <http://dochara.com/event-type/irish-festivals/>

Mühsam, weil Darstellung nur nach Monaten und dann in keiner tabellarischen Listform. Man muß Textstück nach Textstück durchgehen um evtl. passende Events zu finden.

#### <https://ricksteves.com/europe/ireland/festivals>

Erbärmlich. Schon der Link drauf ist einer zu viel.

#### <http://ukfolkfestivals.co.uk/ireland.php>

Relativ gut. Hier nach Festivals zu suchen, die

anderswo vielleicht vergessen wurden, kann zu einem Ergebnis führen...

**Fazit 2:** Warum „die Iren“ kein eines, landesweites Portal hinkriegen (wie z.B. [termine-folk-lied-weltmusik.de](http://termine-folk-lied-weltmusik.de)), bleibt unerklärlich. Wir haben es ihnen so oft detailliert, schriftlich und mündlich, auch als regelrechten Antrag zur Förderung (abgelehnt) vorgeschlagen. Netzwerk- und Zusammenarbeit ist eine Kunst... und bedarf zuerst der Einsicht in die Notwendigkeit.

<http://irishmusicmagazine.com/links/tours-irishevents/>

**DAS Musikmagazin in Irland schlechthin.**

Mit einer Veranstaltungsübersicht, die sich nicht auf Festivals beschränkt (wie unser Musikmagazin Folker und das hier vorliegende irland journal). Leider aber scheint man die vielen anderen Konzerte immer nur der Halbwertzeit der jeweiligen Ausgabe anzupassen.

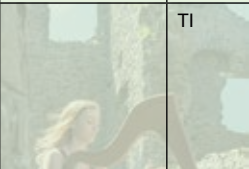

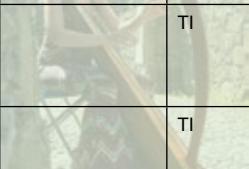

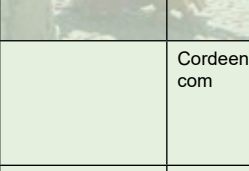

**Fazit 1:** entfällt offenbar für längerfristige (Urlaubs-) Planungen. Sehr schade eigentlich.
